TRANSFER AND EMERGENCY APPROPRIATION REQUEST

Date October 31, 1973

TO THE CITY CONTROLLER:

The Fort Wayne Redevelopment Commission
(Department)

requests that an appropriation ordinance be prepared and submitted to the City Council authorizing the transfer of \$ 100,000 from

Account No. Cash Account Title _____ to

Account No. 44-2-264 Title Demolition.

Reason for Transfer In reviewing the type of work to be accomplished

in the local project area, it is determined that the original appropriation

of \$15,000 would not cover all cost which we anticipate being incurred

during the period. Several factors such as labor costs and the type of

demolition work needed to adequately provide for future development

of the project area will require additional funds to supplement this

anticipated costs.

Department Head or Board Member

Directions -- Departments requesting transfer of funds from one account to another, or for the appropriation of funds from the unexpended balance of the General Fund must fill out this form in duplicate, and send both the original and one copy to the Controller's Office. It is suggested that a third copy be made and retained by the department originating the request. The Controller's office will retain one copy of the form and send the other to the City Attorney which will be his authorization to prepare the appropriation ordinance. Please send the request for transfer of funds to the Controller as early as possible, and at least one week should be allowed for the City Attorney to prepare the appropriation ordinance and the City Clerk to enroll it for the next Council meeting.

That the unobligated balance of the Redevelopment Capital Fund is hereby reduced in the amount of \$100,000.00.

This is needed to provide sufficient funds to complete the project area as planned.- Labor Costs & Demolition Work.
